

5- open and enable Home and/or Game to setup when and how you want show the ads

6- if you use SOOMLA too, open ads_master.cs, and enable these 2 lines too

```

410 if (my_game_master.buy_virtual_money_with_real_money_with_soomla)
411 {
412     //Enable those two lines FOR SOOMLA
413     //my_game_master.my_Soomla_billing_script.Give_virtual_money_for_free(my_game_master.current_profile_selected,
414     //my_game_master.current_virtual_money[my_game_master.current_profile_selected] = my_game_master.my_Soomla_bill
415 }
    
```
